

A collage of images from a concentration camp. The top left shows a long, straight path lined with multiple strands of barbed wire supported by wooden posts, leading towards a brick building. The top right shows a dark interior space with a window. The bottom left shows a close-up of a wooden post with a sign that reads "HALT! STÖJ!" and a skull and crossbones symbol. The bottom right shows a hallway with a window and a metal gate.

ARE CONDEMNED TO REPEAT IT

HALT!
STÖJ!
